Welcome To The Belvedere Sailing Society's 2011 Season

Membership in the Belvedere Sailing Society is open to all Belvedere residents who enjoy sailing or watching sailing on the Belvedere Lagoon and socializing with their neighbors. General membership dues for 2011 are $50 per household and include a membership roster, notification of activities, and invitations to all social events throughout the year. More information is available at http://belvederelagoon.org.

Members who wish to be part of the **Lido Fleet** are assessed an additional $30 per household. Lido Fleet members may participate in race events as sailors, race committee, or spectators and attend the cocktail parties, held after each day of Lido racing at a Lido Fleet member's house. These parties are a great way to socialize with your neighbors. BSS members planning on participating in the Laser or Sunfish races should also join the Lido Fleet.
